

T90 - PRINTER FOR A3 LABELS

With the T90 we meet the continuously increasing demands for more and more information and larger labels. With full A3 print width and up to 600 mm print length - we cover almost any application requiring very large size labels and barcodes!

The T90 has the reliable, robust and easy to use design - as seen on all the Mectec family machines. It is proven to give you 24 hours reliable labelling for many years to come - even in the most harsh industrial environments!

The pictures are showing the T90 with- and without protective cover, which is easy to remove when changing ribbon.

Rugged industrial design.
Easy to load labels and ribbon.

T90 is ideal for A3 labelling within the Paper Industry.

The PCU III intelligent Printer Controller - easy to operate and interface
