

## TFS150 - Dual Action Tamp

TFS150-Dual Action tamp is a Print & Apply solution especially designed for flexible and reliable Front and Side labelling - working from beside the conveyor. The Dual action tamp applies two separate labels with the same applicator and pad.

The TFS150 has the reliable, robust and easy to use design - as seen on all the Mectec family machines. It is proven to give you 24 hours reliable labelling for many years to come!

Printer and applicator in left hand version
